STUDENT BEHAVIOUR & DISCIPLINE

(to be signed by all the students upon arrival)

Dear Student,

please read, and if needed discuss with the campus manager, page 8 and 9 of the Student Handbook. These policies will be in effect for all students during their stay with PLUS and are there in order to create an enjoyable and safe environment for you. These policies are not meant to frighten you, but just emphasise an awareness of your expected behaviour, which creates an environment where all are safe and respected. If a conduct violation (including those related to harassment, intimidation, and bullying) occurs we will adhere to the points mentioned in the student handbook.

Please be sure you understand your responsibility and sign the

form below. Sincerely,

PLUS Campus Manager

I have read and UNDERSTOOD the STUDENT BEHAVIOUR & DISCPLINE from the students handbook and I agree to uphold the points mentioned and will accept the consequences as cited in the policies should the need arise.
