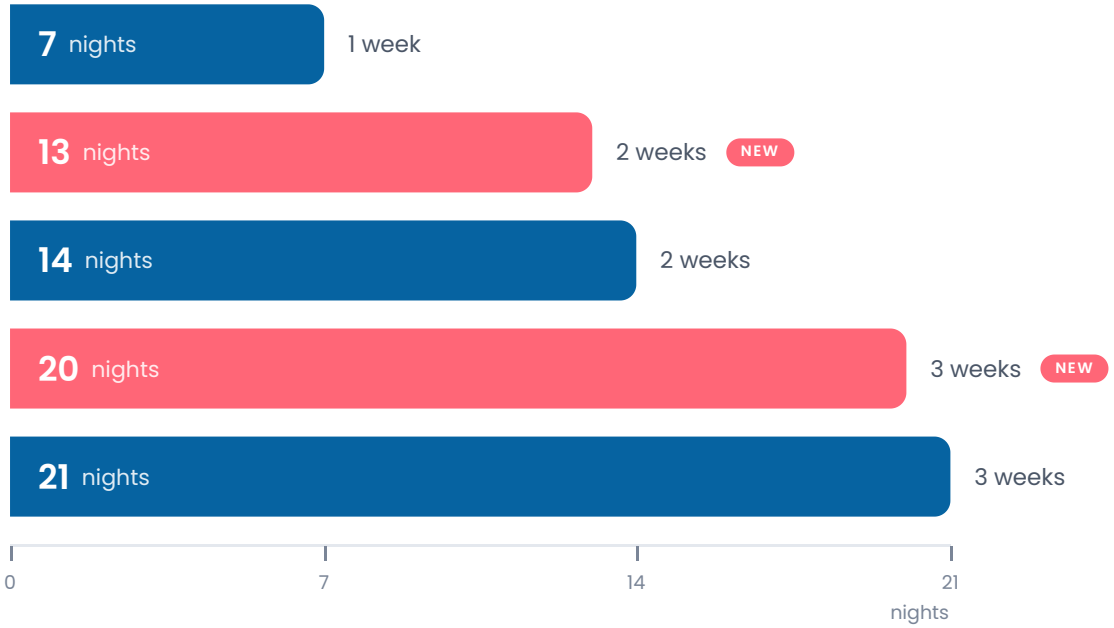
LENGTH OF STAY

1, 2 or 3 weeks, now with more choice

All packages run for one, two or three weeks. For 2027 we have added 13 and 20-night options, giving you more flexibility when booking flights.



13 and 20-night stays are one night shorter, so one programme day is not included: ask us which activities fall on that day. Three-week stays start on selected arrival dates only.

WHAT IS NEW

For 2027

01 13 and 20-night packages

Two new lengths of stay, one night shorter than our 2 and 3-week packages.

02 Top-ups

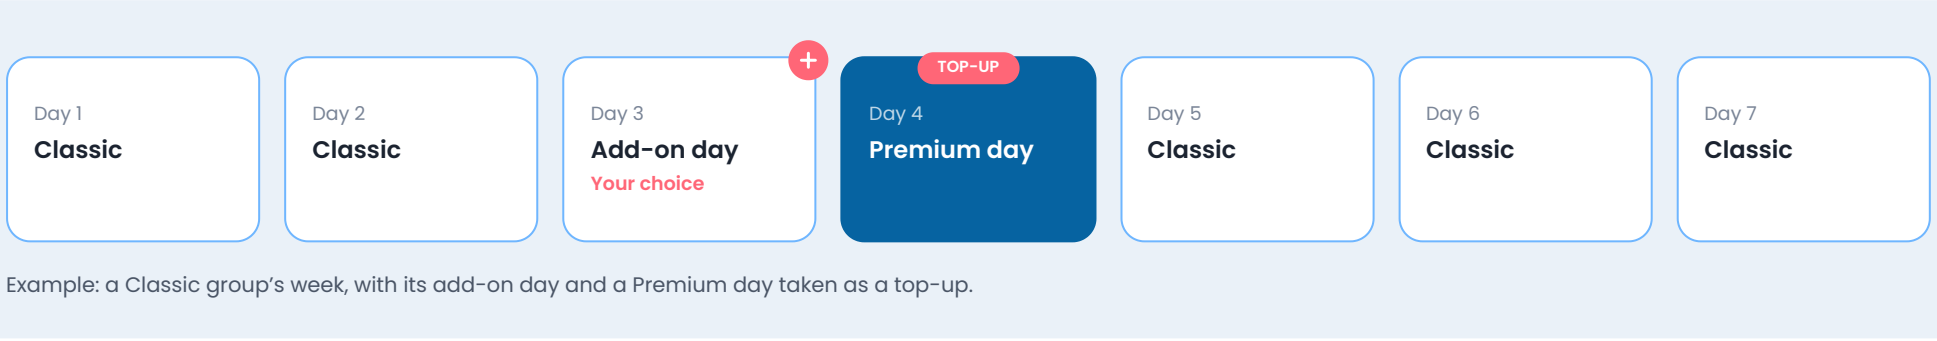
Upgrade a whole day to a day from a higher package. See page 05.

03 Refreshed programmes

Updated excursions at several centres. New destinations are marked on each centre page.

Make it yours

Every package runs to a set programme. When your group wants more, there are two simple ways to tailor it.



Example: a Classic group's week, with its add-on day and a Premium day taken as a top-up.

Add-ons

Extra attraction tickets and excursions, added to any package.

- Booked by PLUS, enjoyed with your group leaders
- Take them on your designated add-on day
- Choose from each centre's add-on catalogue
- Numbers confirmed by 31 May

Each centre's add-on catalogue is on plus-ed.com, with prices in the add-on price list.

Top-ups NEW

Upgrade a whole day to a day from a higher package.

- Classic groups can take a Premium day
- Essential groups can take a Classic or a Premium day
- The top-up replaces that day in your own programme
- Book up to 30 days before arrival

Premium top-ups are not offered at London Brentwood or London Hatfield.
