

Activity Leaders

PLUS Education is a global organisation established almost 50 years ago. We plan, organise, coordinate, and run residential English summer camps for international young learners between the ages of 8 and 17, and we are currently recruiting over a hundred Activity Leaders for our UK-based 2020 summer programme.

As an Activity Leader, you will report to the Activity Manager and the Campus Manager, working as part of the Campus Life Leisure Team with scheduled responsibility for the supervision of students between 7am and 11pm six days per week. Your main duties will be communicating, promoting, organising, and running daily activities and events. These include activities on campus such as sports, games, movie nights, themed discos, dance sessions, and meal supervision; and activities off-campus such as excursions to major cities with walking tours and nearby attractions either on public transport or by coach. For all off-campus activities, our students will also be accompanied by their Group Leader (GL ratios are 15:1). Group Leaders are responsible adults, typically from the same country as each group of students, with which you will collaborate on trips and excursions. Group Leaders are ultimately responsible for their students during their stay with us.
