

INTERNSHIP

International Language Students have the opportunity to integrate timetabled learning along with Internship experience.

Students can split their time between undertaking a period of timetabled learning, Developed around the curriculum offered at PLUS and direct 'on the job' experience.

1. PLUS work with a number of employers and can provide students a number of internship opportunities
eg. a tailored Internship and timetabled learning programme.

The employers operate in the following sectors:

2. -Digital and social media
3. - Robotics
4. - Landscaping
5. - Engineering
6. - Computing

In addition to the above, is able to offer International Language students the opportunity to benefit from 'on the job' experience in the following areas:

1. Computing
2. Human Resources
3. Accountancy & Book Keeping
4. Marketing and Communication
5. Business Governance
6. Facilities and Estate Management
7. Reception and Administration
8. IT Support
9. Classroom assistant

Internship opportunities would be provided in South Coast, London and Banbury.
The length of internship programmes can be tailored to meet the requirements of Plus Ed and the specific student.

Internship assessment: Participants who complete the course will receive an end-of-internship certificate.
