

WHAT YOU NEED TO BRING

We will give their awesome, UK Football Trials 5 day camp exclusive personalised playing kit when they arrive at the camp. This will be a shirt, shorts and a pair of socks. We ask that players look after it carefully.

Last year we had mixed weather, but it could be hot and sunny or raining this summer but please prepare for all types of weather conditions as the Academy still runs in all different types of weather.

FOOTWEAR:

Outdoor football boots for playing football on grass pitches that could be wet or hard depending on the good old British weather!

Some training will take place on the astro so bring trainers or astro boots for that.
