

POLICY FOR STUDENTS UNDER 12

It is PLUS' policy not to accept individual students under the age of 12.

If travelling in a group with one or more student under 12, Group Leaders must assume full responsibility for the minor(s) throughout the duration of the program, including overnight supervision. For safeguarding purposes, PLUS suggests a supervision ratio of 1 adult for 8 children, if one or more students present in the group are under 12. In order to arrange appropriate supervision, students under 12 should be accommodated in rooms adjacent to their Group Leaders.

Agents are to provide Police Checks for each Group Leader and ensure that Group Leaders are aware that enhanced supervision is required for activities on and off campus.

Any bookings for under 12s must have the prior approval of PLUS HEAD OFFICE/
COMMERCIAL DEPARTMENT.

Agents are also requested to inform PLUS' Operations Department of the presence of any under 12 students. In line with our student absence policy, teachers are required to immediately inform the Course Director if any under 12 is missing from class.

Upon arrival, Group Leaders must attend a campus induction with the Campus Manager, which will include essential information on PLUS' Safeguarding and Child Protection policy.
