

### About the Centre

Liverpool, a musical city located in the north west of England, is the “World’s Capital City of Pop” and of course, the 1960s rock sensation, “The Beatles”. It is one of the most visited cities in the United Kingdom, thanks to its grand buildings, historic landmarks and a wide variety of museums and galleries. Being over 800 years old, Liverpool offers a mix of modern and historical buildings including two cathedrals. It has a vibrant city centre with many pubs, restaurants, entertainment spots, public sculptures and a number of world heritage sites including the Pier Head and Albert Dock. Liverpool has several train stations with a city centre station offering direct trains to Manchester (45 minutes), Central London (2 hours) and Nottingham (2 hours 30 minutes).

### Campus

The PLUS centre is located in the Carnatic Conference Park campus of the University of Liverpool.
