

## Meal planning for arrival and departure days

PLUS considers the arrival and departure times on a per group basis. If a group arrives late at night due to a delay and miss lunch/dinner, PLUS will arrange a cold buffet for those students.

Time traditional schedule time for hot meals is as follow:

Breakfast 08:00-09:00

Lunch 12:30-13:30

Dinner 18:30-19:30

On departure day PLUS will make sure that groups receive a packed meal.

PLUS' operational department will take all aspect into account as well as the number of hours students have to wait at the airport.
