

A quiz about classroom management based on the YouTube video, using a combination of multiple choice, true/false, and short answer questions.

<https://www.youtube.com/watch?v=spmyL1lOzY8>

1. Multiple Choice: What is the first step in mastering classroom management according to the video?

- a) Control the energy
- b) Set clear expectations
- c) Establish a routine
- d) Handle disruptions smoothly

2. True/False: The video suggests ending each class the same way, with a summary, feedback, and preview.

3. Multiple Choice: Which of the following is NOT mentioned as a clear expectation for students?

- a) Raise your hand
- b) English only
- c) Challenge ideas
- d) Take notes during class

4. Short Answer: Explain the "control the energy" strategy mentioned in the video. How does the teacher respond to both high and low energy situations?

5. Multiple Choice: What does the video recommend doing when the class is too quiet?

- a) Raise your voice
- b) Give a pop quiz
- c) Move around and ask quick-fire questions

d) Play an educational video

6. True/False: The video suggests that praising students is not an effective classroom management technique.

7. Multiple Choice: How does the video recommend handling a chatty student?

- a) Send them out of the class
- b) Ignore them
- c) Ask them to share their ideas with everyone
- d) Give them a written warning

8. Short Answer: Describe the routine suggested in the video for starting each class. Why might this be an effective classroom management strategy?

9. Multiple Choice: According to the video, which of the following is an appropriate way to keep C1 (advanced) level students engaged?

- a) Assign more homework
- b) Let them teach the class
- c) Encourage debate and defending ideas
- d) Give them free time

10. True/False: The video suggests that lowering your voice can be an effective strategy to quiet a loud classroom.
