Objectives by Level

By the end of this course, students will be better able to do the following in English, at the level appropriate to their class:

LEVEL 1 **A1–A1+** Elementary
LEVEL 2 **A2** Pre-Intermediate
LEVEL 3 **B1** Intermediate
LEVEL 4 **B2** Upper-Intermediate
LEVEL 5 **C1–C1+** Advanced

LEVEL 1 **A1**

Elementary

CEFR A1–A1+

1. Understand and use basic phrases and expressions to communicate simple needs, for example when discussing food, water and basic resources.
   SDG 2 · Zero Hunger | SDG 3 · Good Health and Well-being | SDG 13 · Climate Action
2. Take part in short, familiar conversations on personal and social topics such as health and wellness.
   SDG 3 · Good Health and Well-being
3. Recognise and use vocabulary for basic human rights and equality.
   SDG 5 · Gender Equality
4. Take part in short conversations on familiar topics, such as introducing themselves or asking for directions.
5. Pronounce common words and phrases more clearly.
6. Understand and respond to simple spoken English in familiar contexts.
7. Present information about themselves, their surroundings, the people around them and their daily lives.

LEVEL 2 **A2**

Pre-Intermediate

CEFR A2

1. Take part in more detailed conversations about global themes, lifestyles and future goals.

2. Take part in brief conversations on everyday topics, including environmental and social issues such as water and energy.
   SDG 6 · Clean Water and Sanitation | SDG 7 · Affordable and Clean Energy
3. Express simple opinions with greater clarity and accuracy, for example on caring for the environment or other global issues.
   SDG 13 · Climate Action
4. Express and justify opinions about real-world issues connected to SDG themes.
5. Use A2-level vocabulary and grammatical structures to discuss everyday topics.
6. Collaborate in English on group projects with sustainability themes.
7. Listen and respond to questions about basic ethical choices and social norms, such as fairness and justice.
   SDG 16 · Peace, Justice and Strong Institutions

LEVEL 3
B1

Intermediate

CEFR B1

1. Communicate confidently on a variety of topics, applying B1-level vocabulary and grammatical structures effectively.
2. Take part in discussions on topics such as sustainable communities, responsible consumption and quality education.
   SDG 11 · Sustainable Cities and Communities | SDG 12 · Responsible Consumption and Production | SDG 4 · Quality Education
3. Express opinions and ideas clearly and take part in problem-solving activities.
4. Understand and discuss global themes linked to the 17 SDGs.
5. Use a wider range of vocabulary to discuss health, equality and basic rights in familiar contexts.
   SDG 3 · Good Health and Well-being | SDG 5 · Gender Equality
6. Present opinions on global citizenship themes, such as cooperation between countries.
   SDG 17 · Partnerships for the Goals
7. Collaborate in English on creative projects and problem-solving activities.

LEVEL 4
B2

Upper-Intermediate

CEFR B2

1. Take part in in-depth discussions on a variety of topics using B2-level vocabulary and complex grammatical structures.
2. Discuss social issues and abstract topics such as quality education and decent work.
   SDG 4 · Quality Education | SDG 8 · Decent Work and Economic Growth

3. Analyse, critique and express opinions on global and cultural issues.
4. Collaborate in English on creative and analytical projects linked to the SDGs.
5. Lead or take part in group presentations on challenges and solutions for communities.
   SDG 11 · Sustainable Cities and Communities
6. Speak with greater fluency and coherence, and articulate arguments and perspectives effectively.
7. Use fluent, coherent English in conversations about sustainable living, gender equality, climate action and other topics.
   SDG 12 · Responsible Consumption and Production | SDG 5 · Gender Equality | SDG 13 · Climate Action

LEVEL 5
C1

Advanced

CEFR C1–C1+

1. Express complex ideas confidently using advanced vocabulary and grammar.
2. Communicate effectively in a range of settings on topics related to the SDGs.
3. Take part in meaningful discussions and debates on global issues.
4. Analyse, present and critique ideas in a structured and persuasive way.
5. Collaborate in English on creative projects connected to the SDGs, discussing world challenges in depth.
6. Present arguments on global challenges such as renewable energy, reduced inequalities and climate action.
   SDG 7 · Affordable and Clean Energy | SDG 10 · Reduced Inequalities | SDG 13 · Climate Action
7. Express detailed ideas, opinions and arguments with precision and in an appropriate style.
8. Understand and respond to spoken English with a variety of accents and speech rates.
9. Lead complex discussions or debates on themes such as global development, human rights and sustainability.
   SDG 17 · Partnerships for the Goals

Throughout the course, students develop their English through meaningful discussion of global topics, from sustainability to social responsibility.
