We want all students to have a safe, happy and memorable experience. To make this possible, everyone must help. All students share the responsibility to behave well and respect others during the programme. This is why we have this Student Agreement.

Students agree to the following:

1. I will be kind, polite and respectful to other students, staff, and all people I meet during the trip.
2. I will always wear my lanyard during the day and only remove it when I get ready for bed.
3. I will respect other people's property and will not damage anything. I understand that if I damage something, I will have to pay for the repair or replacement.
4. I will take good care of my room keys. I understand that if I lose them, I will need to pay for a replacement. The charge may be up to £100 for a full set of keys at some centres.
5. I will listen carefully to information about meeting points and times, and I will arrive on time. I understand that if I am late, my whole group may miss scheduled visits.
6. I will stay in my own room between 22:30 and breakfast, unless there is an emergency. I will respect quiet time so that everyone can sleep.
7. I will not smoke or vape. I will not buy or drink alcohol. I will stay away from anything dangerous or illegal.
8. I will follow all rules explained to me, including PLUS' code of conduct and the rules given by my Group Leader or PLUS staff.

If a student breaks these rules, sanctions may be applied, including the following.

1. If the rules are broken, the student may not be allowed to take part in some programme activities for a period of time.
2. In a very serious case, the student will be sent home early. This will be at the parents' or guardians' cost, and they may need to travel to collect the student.
3. If a student damages something, the parents or guardians will have to pay for the repair or replacement.

I confirm that I have read and understood this Agreement.
